

ABOUT US

Your Trusted Partner in Nusa Penida Construction

At **Gahing Karya Jaya Abadi**, we are a Bali-based general contractor and property developer specializing in villa construction, house design, and resort projects across Bali and Nusa Penida.

Founded in **2021** by **Ir. I Kadek Agus Saputra, ST**, our company is built on a foundation of quality, timeliness, and innovation. We are proud to bring together engineering expertise and artistic design to deliver exceptional living spaces that reflect the essence of Bali.

Our commitment is simple — to build properties that stand the test of time and inspire everyone who walks through them.

OUR SERVICES

What We Do Best

Comprehensive construction and design solutions tailored to your vision

Villa & Luxury Property Construction

We design and build premium villas across Bali, ensuring every project combines functionality, tropical comfort, and timeless design.

Residential & Custom Homes

From concept to completion, we turn your dream home into reality — with quality materials and expert project management.

Commercial & Hospitality Projects

Hotels, restaurants, and resorts — our team handles full-scale construction with attention to detail and professional standards.

Architectural & Interior Design

Our in-house design team creates modern, tropical, and minimalist concepts that blend perfectly with Bali's natural beauty.

Renovation & Structural Improvement

Enhance and transform existing properties with trusted renovation and structure enhancement services.

Project Management & Consultation

Comprehensive project oversight from planning to handover, ensuring timely delivery and budget compliance.

WHY CHOOSE US

Why Gahing Karya Jaya Abadi

Experienced Local Contractor

Proven expertise in Bali and Nusa Penida construction projects.

High-Quality Materials & Craftsmanship

We only use the best materials for durability and beauty.

On-Time Project Delivery

Our team values precision and punctuality in every project phase.

Innovative Design Solutions

A blend of modern architecture and tropical inspiration.

Trusted by Leading Clients

From villas to resorts, our portfolio speaks for itself.

Transparent Pricing

No hidden costs. Clear communication throughout the project.
