WHERE WE GO

3 world-class snorkeling spots

Every full-day tour covers all three locations. Each spot has something different — and all of them are extraordinary.

Manta Bay

The crown jewel of Nusa Penida. Swim alongside giant oceanic manta rays in their natural feeding ground. Mantas here can reach 5 meters wingspan.

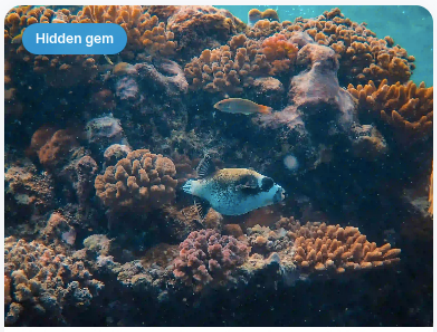

Mantas · Deep water · Intermediate

Crystal Bay

Pristine turquoise water with incredible visibility. Home to vibrant coral gardens, sea turtles, and tropical fish. Perfect for beginners too.

Turtles · Coral reef · All levels

Gamat Bay

A secluded bay far from the tourist crowds. Rich reef ecosystem with nudibranch, clownfish, and dramatic underwater cliffs. Often skipped — we never do.

Quiet · Rich reefs · Beginners OK

Arrive 30 Minutes Early

To ensure a smooth and safe experience, all guests are required to arrive at our meeting point at least 30 minutes before the scheduled departure time.

- Equipment Fitting — We need time to ensure your fins, mask, and snorkel fit perfectly.
- Safety Briefing — Our guides will provide essential info about current conditions and safety protocols.
- Punctuality — The boat departs exactly on schedule. Late arrivals may result in a missed trip without a refund.

If you are coming from Sanur, we recommend taking the 07:30 AM fast boat to catch our morning session comfortably.
